

## **Solutions Manual**

Each of the chapters in the book have end of chapter problems. The solutions to these problems are in the companion Solutions Manual, available to anyone who has purchased the book, including industry professionals and academic faculty at no charge. To obtain the Solutions Manual, click on the link directly below, then click on "Supplementary Material" in the upper left corner of the page, and fill out the form. A representative from the publisher will contact you with the password to access the Solutions Manual.
