 - Avoid any type of punctuation marks
 - Only enter the first word or two of the business name. Sometime less search criteria is better
 - Avoid abbreviations if not specifically part of the legal company name
 - If the company name carries the proper name of an individual, only enter Last Name of the individual in the “Business Name” section
 - Exclude corporate status designations in the “Business Name” section. (i.e. - Inc, Corp, LLC, Co. etc)
 - If you locate your Business but the address is from a previous location, select that record as you can alter the address and other information once you are registered.
