Description:

About the Author Walter Wangerin Jr. is the National Book Award-winning author of *The Book of the Dun Cow*. His other books include *The Book of God, Ragman and Other Cries of Faith*, and *Miz Lil and the Chronicles of Grace*. --This text refers to the edition.

From Wangerin's allegory of good and evil pits Chauntecleer, the mighty rooster, against the nefarious and serpentine Wurm. In a time before humans, Chauntecleer is the only one who stands in the way of Wurm as it breaks free from its earthly prison and enacts its devious influence upon the innocent animals of the world. Wangerin's prose proves enjoyable despite a heavy-handed religious overtone. Paul Michael enlivens the text with a deep, robust voice that keeps a good pace. He does justice to the verbose and powerful persona of Chauntecleer. However, inexplicably, he adds a Southern twang to many of the characters' speaking parts, which does not seem to be justified by the text.
