

## SAT SCHOOL DAY

# Student Answer Sheet Instructions

This guide will help you fill out your SAT® School Day answer sheet—including where to send your 4 free score reports. Be sure to record your answers to the questions on the answer sheet. Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the *SAT School Day Student Guide* for more details, including how to opt out of Student Search Service™ if you change your mind.

## How Answering Questions 16 and 19–39 Helps You

We strongly recommend that you answer Questions 16 and 19–39, which are optional, because your answers:

- Guide your counselors and, if you decide to participate in Student Search Service, your college admission officers in helping you plan your future.
- Help College Board ensure that the SAT is fair and accurate for all students.
- Provide information, when combined with those of all other students taking the SAT, to colleges and universities to create a picture of the academic preparation, extra- and cocurricular involvement, and post-high-school plans of your graduating class.

Your answers to these questions won't be included on score reports sent to colleges or other organizations.

### 16. Student Search Service This field is optional.

Student Search Service is a free, voluntary program that connects students with information about educational and financial aid opportunities from eligible colleges, universities, and other scholarships and educational programs. These organizations pay to participate in the service, but it's free to you. When you opt in to Student Search Service, the information that you have provided on your answer sheet, score ranges from your College Board exams, and information you provide on the College Board website may be shared with colleges, universities, and other scholarships and educational programs that are interested in students like you. Participating organizations may use this information to contact you via email and postal mail about their educational and scholarship opportunities. College Board does not share your telephone number or actual test score as part of this service.

To opt in to Student Search Service, please mark "Yes" to "Would you like us to supply your information for these purposes?" on your answer sheet. If you leave Question 16 blank and have previously opted to participate in Student Search Service, we will continue providing your information until you opt out.

If you opted in to Student Search Service, the email address you provide will be added to your Student Search Service record.

**18. Mobile Number** This field is optional. If provided, you agree to receive text messages from College Board about test programs for which you are registered, about participating in research surveys, and/or about receiving free college planning services.
