

# iPad Cheat Sheet

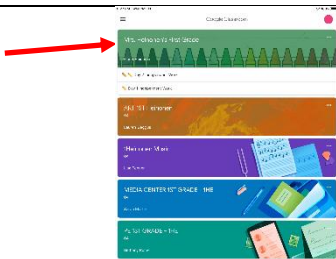

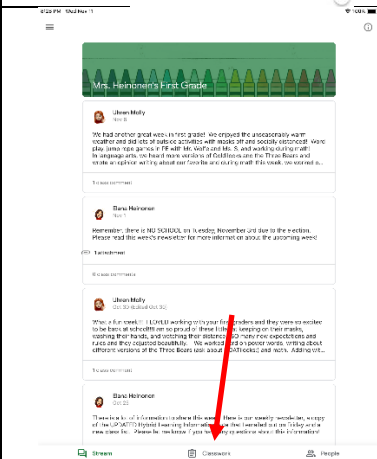

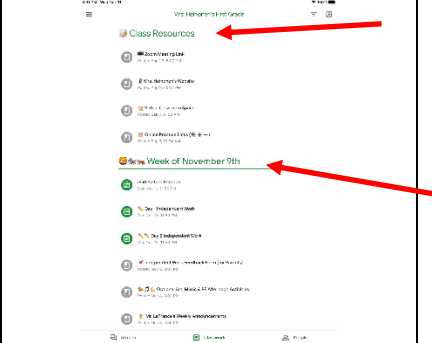

Students will use the iPads for our Remote Learning days and for their Independent, At-Home Learning Days activities. iPads are a tool to help students learn; they should not play on them and they cannot change the apps or design.

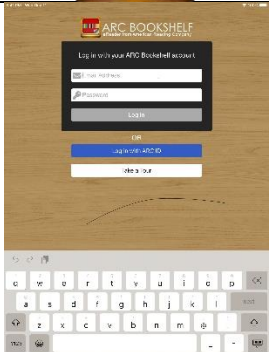

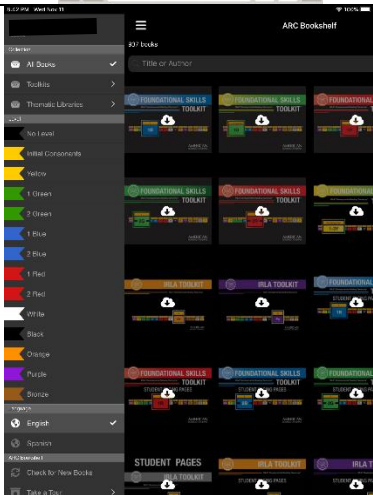

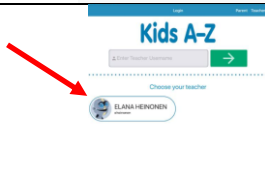

We have discussed how to use the iPads and how to get started with the apps on this sheet in class, but I thought it might be helpful for you to have this information at home as well.

I also thought it might be helpful to give you another copy of your child's user names/passwords for the apps that we use. They written below.

District 87 (use for Google Classroom, GSuite for Education logins)	User Name:  Password:  Student Email:
ARC Bookshelf	Email:  Password:  Current Reading Level:
Kids A-Z	See card stapled to the back of this sheet. The passwords are pictures.

Getting Started		
iPad Case & Stand		Students can use the stand to prop up the iPads; this is a very useful feature for Zoom meetings. The stand can turn so the iPad screen is horizontal or vertical.
Locked iPad		This is the lock screen you will see when you turn on the iPad. The code to unlock the iPad is: <b>1234</b> .
Home Page		Once you unlock the iPad, you will see this screen. This has many of the apps you will need for At-Home Learning.

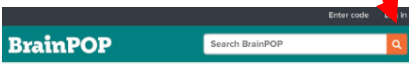

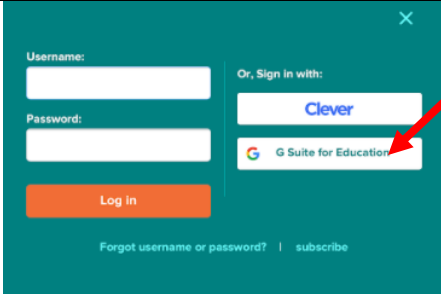

Google Classroom		
Accessing Google Classroom		Click on the Google Classroom App.  Log in with your D87 student email and password if it prompts you.
Go to Mrs. Heinonen's Classroom		Click on the crayons header to go to Mrs. Heinonen's Google Classroom.
Go to the Classwork Tab		Click on Classwork (in the middle on the bottom of the screen) to get to our Classwork Tab.
Navigating the Classwork Tab		Class Resources: This is where you will find our Zoom Meeting links to several other online resources to support at-home learning.  Week of...Sections: The assignments and materials for each week are listed in their own section. I use emojis to help students find each week's section.
Zoom		
Go to the Classwork Tab in Google Classroom		Click on the link at the top of the Classroom Resources section. Then click "Launch Meeting."
Audio		As the meeting launches, you will need to click "Call using Internet Audio" so that you can hear. It is the top option. This menu will pop up each time you launch a Zoom meeting.

ARC Bookshelf		
Accessing ARC Bookshelf		Click on the ARC Bookshelf icon on the home page.
Login Page		If you see this screen, you will need to log in to the bookshelf. Login information is on the first page of this packet.
Accessing Leveled Readers		<p>You will need to click on the 3 lines in the top left to access Leveled Readers. Then, click on your level.</p> <p>You can also just scroll to get to the books.</p>
Kids A-Z		
Accessing Kids A-Z		Click on the Kids A-Z icon on the home page.
Locating Our Class		Click on my name.
Finding Your Books Part 1		Click on your name. Then click on your password picture.
Finding Your Books Part 2		Click on the purple reading planet.

# Moby Max

Accessing Moby Max		Click on the D87 Symboloo icon on the home page.
On Symboloo		Click on Moby Max. 
Login Page		If you see this screen, you will need to log in using <b>Google Classroom</b> . That option is at the bottom of the screen. Use your <b>D87 email and password</b> to log in with Google Classroom. Login information is on the first page of this packet.
Green Math Activities		For now, students may work in the Green Math and Fact Fluency areas of Moby Max.  The first time your student logs into Moby Max and opens these areas, he/she will be prompted to take a placement test. Many students did this at school, but some may need to complete this step at home before starting the lessons..

## Brainpop Jr.

Accessing Brainpop		Click on the D87 Symboloo icon on the home page.
On Symboloo		Click on Brainpop. 
Log In Part 1		Click Log In in the top right corner.
