

4-H Baking for Beginners

Join Polk County 4-H on a virtual baking journey to discover new friendships and easy recipes

ALL youth in 6th – 12th grades are welcome to join us on a virtual baking journey. Not only will youth learn to bake basic recipes, but they will also develop friendships and lasting connections through games and conversation.

In this four week baking series, we will meet once a week to learn to bake easy recipes with simple ingredients. Provided recipes will stick to pantry staples and create substitutions as needed, however baking simultaneously is not required. Youth are welcome watch and learn, while partaking in conversation and games, or to bake step by step with us if able.

Space is limited, so don't delay, register today [HERE!](#)

Held virtually, every Thursday
